“ *We are devastated at Mia Passione Salon. Julia was hard working and extremely eager to work and build her career. She was the first one to come back to work after COVID hit. She was comical, super friendly and spoke whatever was on her mind. We will miss you Julia and I will hold your spot for you.*

“ Julia I love you so much. I miss you terribly. You were just at my house Saturday night. So happy you and paulie went bowling. Both of us fighting cancer together. You were so strong. I'll cherish our talks together and the bowl of pasta. This should not be happening. Julia my heart is forever broken. I'll never forget you. Julia I'm so sorry so sorry. Julia my baby girl.
