Dear family

We morn the loss of our beautiful cousin and offer our deepest condolences to her immediate family, and we will cherish the time we spent with her when we were growing up, the memories are priceless, although geographically it was hard to spend time with her, Facebook made it possible to kept us in touch with current events, she adored her children and grandchildren and hopefully there faith will be a comfort to them at this time, knowing she is definitely in a better place and certainly bearing no pain,

Rest In Peace my dear cousin until we all meet again
