

Karlyne Felecia Sanders

July 5, 1974 - March 8, 2020

Due to COVID19 and the recommendation of the CDC for gatherings of no more than 10 people, the Sanders and Mirto family have postponed the Memorial Gathering for Karly at this time. Please check back for updated service information in the future

Karlyne Felecia Sanders, 45 of Staten Island, New York, surrounded by the love of her family, passed away on Sunday, March 8, 2020, at Staten Island University Hospital, after a long and courageous fight.

Born Thursday, July 5, 1974 in Brooklyn, New York, she was the daughter of Barbara Sanders, and the recently deceased Richard Sanders.

Karly would be brought to Staten Island as a child, and that is where she would be raised. As a talented young girl, Karly would go on to attend LaGuardia High School for the Performing Arts. After high school she would discover her love of helping others. Attending Touro College and Wagner College, and eventually graduating with a degree, becoming a Physicians Assistant. The love she had for helping others was only surpassed by the love she had for her loving husband, Jeff, and their beautiful loving son Noah. Karly enjoyed spending time in the outdoors. She cherished her time in Delaware, by the ocean. Spending time walking the beach with Noah, finding different seashells. She liked to take walks and hikes, finding and collecting

different rocks, and crystals, and starting a collection of the most rare ones. But, what made this hobby so special to her was not the collection itself, but that time spent with family and friends. The memories that were made during these, vacations, walks, and hikes, will be cherished for a lifetime, and the imprint of love that Karly left on our lives will also last a lifetime. Though gone from sight, her spirit will live on forever.

Karly is survived by her beloved husband, Jeffrey Mirto, by her loving son, Noah Mirto, by her loving mother, Barbara Sanders, by her brother Douglas Sanders.

In lieu of flowers the family requests donations be made to Karly's memorial fund which is located on her husband Jeff's Facebook page. Thank you.

Karly I'm still missing you everyday I'm still hurting that all this happened to you . I always loved you and I'm always reminiscing all the times we shared together and our last time together with you and Noah in Girardville and I'm always going over all our conversations. I pray every day sometimes several times because of my relationship with the Lord I always wonder what your doing in heaven I can just see you laying on a cloud smiling and healthy looking down on your son Jeff and aunt Barbara all your loved ones very happily cause there is no pain sadness or sickness in heaven . It hurts me that you didn't get the chance at a full life and had to leave Noah to soon but I did read that so many diseases and disasters will happen because of what happened in the garden of Eden . But it was always a joy to be around you and you talked me thru my problems so many times which I appreciated and you were just so knowledgeable and would explain things straight out to me so I would understand unlike my doctors. I will always love you my dear cousin . I'm going to get a picture of you blown up so I can always see your beautiful face. I cried so much for you because of what you had to go thru but now I can feel a little better knowing you are well and happy with our Heavenly Father . I will see you again one day❤️
