“ When when I first opened my dental office, it was Kathy and her family who did the vertical blinds in my waiting room. Shortly thereafter they all became my patients. Not only were they my patients but my friends as well. We spoke about life's events, both good and bad. I'm so very sad to hear of Kathy's passing. I'm glad I got to know her. She was a wonderful person, mother, spouse, and yes, a good dental patient. To Kathy's family, my prayers and condolences.. John Scarpati
