“ I had the pleasure to get to know Kathy when she participated in my water exercise classes at the YMCA. Kathy was a valued member of our group, trying her best with a positive attitude and a big smile on her face. We both would talk about our big Irish families, sharing stories and laughter. She always made a point of telling me how much she enjoyed the pool and we all will sorely miss her. May the road rise up to meet her!

“ *I have such great memories of your Mom. I don't know how she did those Christmas Day get to gathers but she and your dad managed to pull them off. Mostly Mom's as usual , Dad's mostly did the greetings, lol.*

Your Mom was there for two of the important events in my life. My wedding and my daughters Christening and special Birthday's for my mom. I will truly miss her, she was such a very good cousin and friend. We always talked so much to each other, no matter what the occasion, that's the Irish in us.

We were sad to hear that Mrs. Greeley was no longer here on earth but know in our hearts that she was welcomed home to God's house with open arms. She was always so kind to both Frank and me, when we were young and hanging out with Colleen and also as we grew older. If we ran into each other on the way home from the city, we would walk from the train to Armstrong chatting the whole way ... or when I was walking my young children around the block to visit my mom, she always greeted us with a smile and had time for a chat! She is a fond memory for me of Armstrong Avenue - especially her genuine smile. Frank also reminded me that he and Mrs. Greeley took the same speed reading class at night at Tottenville HS (lol). When we think of Mrs. Greeley, we smile! She was a lovely person! Sending all of you, love and light! Elizabeth Basile and Frank Tota

Our deepest condolences to Colleen, Shawn, Sharon, Greg and Brian and your families. Your mom was such a special lady. I remember carrying a scapular in my wallet for many years that she gave me. She told me to never take it out of my wallet and I didn't until it fell apart. She was also a lifelong friend of my moms and I'm sure they're having yet another cup of tea together watching over us all.
