

Kathleen F. Lopes

January 2, 1944 - August 4, 2024

Kathleen F. Lopes, 80, passed away on August 4, 2024, in the presence of her loving husband, Christopher Lopes and her son, Frank Pullicino. She was an amazing mother to her children Raeann, Frank, Francine and Guy. She loved being a grandmother and great grandmother, and took great pride in all they did. Kathy loved her sisters, Patty, Dee and Claire deeply and treasured her time with them. Last but not least, she cherished her dog, Daisy, loved to howl with her for fun. Kathy's life was dedicated to her family, and her first inclination was to help those she loved no matter how hard it was. She was a strong-willed woman, who stood firm in her convictions and was fiercely protective of her family. Her laughter was contagious and she loved playing games. She was a very special lady, and leaves behind many broken hearts. However, she is no longer suffering from her broken body, and is now dancing in the clouds with those who have gone before her. She is probably playing Upwards!! Until we meet again. We love and will miss you dearly. ** LOVE, ALL OF US **

We were both laughing so hard... especially watching poor Chris in the background trying to watch something on his laptop. Really gonna miss her laugh.

“ I enjoyed every moment hanging out with Raeann as a teen, you spoke to me as a respected adult not just Raeann’s friend. You became the second mom I didn’t know I needed, thank you for that and blessing me with my life long bestie. 🌸💕
Rest in eternal peace Kathy, Jesus will be by you side 🙏

“ Not just my grandma, my other mother, my favorite person to ever live, my best friend and my hero. I love you always and forever and I can’t even imagine how the world will look without you physically in it. But I know you’ll always be with all of us, in a different way. Until I see you again. I love you forever
