“ *Tony and Toni Ann: I was so sorry to learn about your wife and mom. I just found out this morning and was shocked to hear the sad news. Tony, I remember Kelly coming to all those baseball games when we played on Frank Wheeler's team. Oh, how I miss those days. She was a beautiful person. I remember when my wife and I visited her when she first had Toni Ann all those years ago. She was a proud mom. I'm so sorry again. My heart is a sadder place today because of your loss.*

“ Kelly,

You are a special friend. I'm glad we talked before Jesus took you to heaven.

Kelly your friendship was so clear and you were a friend so dear. My heart is with many tears but I know that your Mom and Dad are near. You were the best Mom to Toni Ann and the best wife to Anthony. Kevin was so good to you - a special brother that was always there for you. I know their memories of you will last through their lives.

Kelly, I can go on and on, I will miss you terribly. Know that you are the "Best" because you are in heaven and at "Rest."

*Your Friend,
Grace*

Kelly,

Although I only had a year with you as my friend, I will miss you dearly. I will look for you in the morning as the kids get off to school and I will always remember your sweet smile and our talks. My crystal makes rainbows in the early morning light and I think of you and how you always helped me to see the bright side in everything. I will miss the walks we took and think of you everyday. I will keep your poem forever. You will always be in my heart. You were an amazing mom, and you loved your family so very much. You were always so kind to my boys. You made us feel at home the day we moved in. Rest in peace dear friend.

*Love always,
Lea*
