“ *Dear Kenny there are no words to say just how much I'm going to miss you. From the moment I met you and your wife I knew you were both down to earth people. and you both touched my heart. I'll never forget when you told me that there was a black thing in my pool, little did I know you were talking about me. Or the stores you shared about the thing you pulled on the guys at your job. You had me rolling. My only wish is the God has made your pain go away and you rest in peace. " just don't look to pull any of your crazy ideas in heaven" May you rest in peace Sincerely, your neighbor Linda and my three little ones Rocky, Roxy & Rusty*
