“ It is with a heavy heart that we offer our condolences to Linda and Kevin's entire family on his untimely passing. I met Kevin several times while renovating my brother Stephen's townhouse next to Kevin and Linda's residence and a few times even before that. Kevin always asked about my brother and offered to help in anyway during the renovation. He always had a kind word and you could tell he was someone who spoke from the heart Our conversations somehow always included our aches and pains as we were all getting older. And how Stephen, myself, you and Linda were all dealing with varying degrees of medical issues. Linda, I knew from Kevin, that you were battling medical problems, but would like you to also know, that he never complained when he spoke to me about you when I would ask how you were doing. He spoke about you in a caring, loving, and compassionate way all the time. He was a humble soul and the world was a much better place with him. With all the hate and anger in the world he stood out always as a calming voice. Linda please keep the faith. This world is passing fast and even if we were to live 100 years it is but a blink of an eye compared to eternity. Have faith that death is not the end but a new beginning. May the Divine Mercy of Jesus Christ rest upon you and Kevin's soul. Remember Jesus told us in the gospel, " someday every tear will be wiped away". Trust in God's mercy that one day, in the blink of an eye, we will be reunited with our loves ones Kevin will be remembered in mine and my brothers prayers everyday. May God not judge him on his sin's but upon his humility, kindness, and his love for you. God Bless.

*Linda and my family thank you for your kind and comforting words. Kevin was a kind and gentle soul. There is a spot missing at my table. I will miss his helpful and generous ways. His words will remain in my brain as a sweet memory, "WHAT CAN I DO FOR YOU, Jo? WHAT CAN I GET FOR YOU, Jo?"*
