From an early age, Lauren excelled at sports and played on her high school basketball and softball teams, always being cheered on by her biggest fan, her dad. She treasured the special times spent with him especially at Knicks and Yankees games.

Lauren was a certified personal trainer and focused on keeping a fit body and mind by advocating healthy eating, exercise, and meditation.

Lauren enjoyed traveling whenever possible and lived in several different cities in the United States. She loved the hot Florida weather, its beaches, sunsets boat rides and being in and around the ocean.

Aside from her family, Lauren's greatest joy in life was her Havanese dog, Mila, who showed her pure love, gave her true companionship, and brought her comfort up until the very end.

Strong, courageous, determined and always looking forward, Lauren inspired and touched the lives of so many. May her light always continue to shine.

Lauren is survived by her loving mother Rosemary Rick; adoring big brothers Michael Rick, Daniel Rick and his wife Christina; cherished nephews John and Thomas; several aunts, uncles, many cousins and numerous friends. She was preceded in death by her father Neil Rick.

“ *My sincerest condolences to Lauren's family. I attended GW with her but am also from Staten Island—so we bonded over that in our freshman year dorm. She was so nice. Such a quiet confidence about her. This makes me truly sad.*

“ On October 17th, 1986 I found myself running to a children's store on 86th street in Brooklyn. I had to buy something in pink. The reason was for the happiest occasion.. The birth of our niece Lauren Rick. She was the first girl born into our family after waiting over 14 years for another female to arrive. She was doted on by all. Parents, Grandparents, Aunts, Uncles, Cousins, and her 2 big brothers. She was a beautiful child who turned into an extremely beautiful woman.

Our children looked forward to seeing her and her brothers, They had a common thread by sharing the same grandparents. As she grew her intelligence was so very apparent. She was ambitious and knew what she wanted out of life.

After college she moved away. We didn't have many opportunities to see her anymore. It was a pleasure to see her when she did come home for visits. I have an Android phone and Lauren did too. She had to educate me many times on what to do. If the computer went haywire while she was here she would straighten it out. Besides the family, the world has lost a multi talented young woman who would have contributed so much.

I always called her beautiful because she was. So I say Rest in Peace beautiful, you are free of pain.

Our love always,

Uncle Pat & Aunt Gail

“*Lauren you were my baby cousin. I will always remember and cherish the times spent with you growing up. So many monumental events we shared together. I loved to visit you, no matter where you were living your home was always open to me. One of my favorite times spent with you was when you were living in Florida. It was you me and Mila we didn't do anything crazy or elaborate, we just hung out talked watched movies laughed and enjoyed each others company, basic simplistic. Those are the memories I will take with me and keep forever in my heart. You were taken from us far too young for reasons unknown. The only solace I can take away from this is that your suffering is finally done. I hope that your surrounded in everlasting love for all eternity from your Father, Grandma, and Grandpa. I love you and will miss you forever. R.I.P.*
