“ *My little buddy...I watched him grow up...we shared a driveway...always tried to give him good advice and steer him in the right direction...so many fun summer nights hanging out in my backyard...music and beers...we used to scoop him up and throw him in the pool for shits and giggles because he would dare us to...My heart is broken, and his smile will be missed.*

“ Larry, you always had a way of making  
someone feel that they were the most  
important person in the world when you saw  
them was amazing. You will be missed and i  
hope you have found the peace you needed.

*with love,*
