“ Uncle Larry is one of my favorites. As a kid he was always a lot of fun to be around. I remember him and Uncle Harold always coming up with ways to keep us entertained. I missed him over the years but got to see him briefly a few years ago and it was really great. I remember him coming over to me at my mother's funeral when I was 16 and smoking a cigarette with me. I don't recall the details of the conversation but I do remember that he made me feel like an adult, with real feelings and emotions and not a young kid. He spoke to me in a real way about life going forward. I am very sad to hear of his passing.

“ I thoroughly enjoyed every moment I spent with my Uncle Larry. I remember as a young child spending days with him on Staten Island playing tennis or tossing a ball. His love of baseball shaped my enthusiasm for the game. He was a kind, caring man. I wish I had taken more opportunity to connect with him later in life. He will be missed.

“ Larry liked to laugh. Out loud, as I recall. And talk. I have to say every time I saw him over the years I enjoyed being with him. May perpetual light shine upon him and may he, through the mercy of God, rest in peace. - Brother-in-law Steve

“ Uncle Larry loved the outdoors. I remember when they moved to Sloatsburg he was always taking the kids out fishing, ice skating, walks with the dog <Badger>. I happened to be in the wedding party - as a flower girl - and later was there to babysit "Little Larry" as he rushed to the hospital with Aunt Eileen to welcome Ronnie. I don't remember spending any time inside their house as we were always outside - even when it rained. When they moved to Connecticut I was seriously bummed. Until we came out for Thanksgiving and played on the trampoline. My sister would bring her bike <barely> keeping up with the cousins. Those Thanksgivings were quite the tradition. One time it even snowed! I will miss my uncle but remember the best of times.

“ Uncle Larry: I have so many fond memories visiting you, along with Aunt Eileen and my cousins Larry and Ronnie. Uncle Larry really enjoyed talking and being with us kids. In the winter, it was skating. When it was warm, it was fishing. I also learned so much about music and baseball from him. I will always have some of his spirit in me and will hold a special place in my heart.

“ I really enjoyed playing baseball with and against Larry aka Lap we had some great pitching duels in the Sunday morning Murphy league. I especially have great memories of our stickball games in St Rita's parking lot and hanging out on " the corner". I know all his Dog Patch boys and girls will miss him. With love,. John Arnone
