“ Lee, I will never forget you. It was an honor and a privilege to work with you and be with you. You were like a second mom to me and coming to your home, was like going home to see my mom. Everyday I learned something new from you. Our conversations were the best. You are one amazing lady and I love you so much. Rest in peace! One last thing, I'm glad you got to go home again. I love you! Sandra
