“ *I didn't know Lenny very long. He was a student at Yorktown when I first met him, and it was like we knew each other for years. He just had that kind of personality. Everyone was an old friend to him. And even after Yorktown, I remember various emails and phone calls back and forth for advice on investigations issues. He was always ready to help and lend an ear. He will be missed.*

“ I have known Lenny for many years, prior to our meeting I was asked many times "Do you have a brother in the Coast Guard"? One day I am on a barge inspection and a gentleman is climbing up the ladder to board, I extend my hand and introduce myself. Hi I'm Pat Kinnier, he says I'm Lenny Kinnear. I said you know I've been waiting to meet you for a long time, from then on we referred to each other as "Cuz". It was a pleasure to know Lenny and a privilege to call him Cuz I will truly miss him.  
To Lenny's family, I am very sorry for your loss.

“ Lenny was one of the finest men I have had the privilege of knowing. Our friendship spans more than 35 years: from working together, on active duty in the USCG and then afterwards in the marine industry. He was a talented mariner, knowledgeable professional, dedicated family man and a wonderful friend that you could always depend upon. We spoke often, our last talk was just two weeks ago and I will dearly miss him. RIP my dear old friend! The world is diminished with your passing!

“ It was an absolute honor to have known Lenny and to work with him for 6 Years. He had an amazing talent of making you feel like you were someone special. I enjoyed the countless hours of sea stories and his ability to constantly make you laugh. Its near impossible to think of a day at work where he didnt make laugh. His advice was always so meaningful to me as well. I sincerely cannot stop smiling , thinking of the positive impact he had on my life. God Bless you.

“ I have known Lenny for about 15 years and have worked extremely closely with him for the past 4 years with the Coast Guard. His main goal, each and every day, was to look out for his people and to make sure that we were all taking care of ourselves and I will never forget him for that. Whether it was Lenny covering the watch while kids were sick, the weather was bad or late night phone calls for advice he was always there and he will be truly missed. You were a great co-worker and an even better friend and I will miss you. You will forever be in my thoughts, God Bless You.

*You are the bravest and strongest man I have ever had the privilege to know. I am honored to have been able to call you "Dad". Thank you for accepting me into your family 6 years ago as one of your own children and treating me just as though I was. Thank you for raising the man I love. He is the man he is today because of you.*

*Your little minion, Lenny Kenyon Kinnear IV, is the luckiest little boy to have had you as his grandpa. I am proud he is named after you....I will never let him forget you. Every time he says "Touch Down" and throws his hands up...I know your'e there with him and us.*

*My heart is broken, I will miss you everyday...but I know you are at peace and in a better place. You are forever in my heart, my thoughts and my prayers. I love you da... and so does your "minion".*

“ I only had the pleasure of working for Lenny for one year. I was away from my family at the time and all Lenny cared about was putting my family first and whatever he could do to maximize my time with them. A quiet man but thoughtful and always looking after you, he treated you with respect and trusted you. He was a great leader and friend and will be missed!

“ I'll never forget Lenny as a great friend but even more so as a friend that helped me achieve something on my bucket list. I always wanted to ride on a motorcycle and Lenny was the one that made that happen. I remember riding on the back on the Korean Parkway and me telling him to go faster and him being afraid to. Well Lenny, I hope there is a motorcycle up in Heaven waiting for you and you save a ride for me when I arrive. You will be missed for many reasons but most of all for your friendship to Joe and I. Heaven now has a new angel up there and his name is Lenny. Rest in peace dear friend. P.S. I loved your hugs!..Love Connie

“ I will never forget the first time I met Lenny. It was in Pack 6 many years ago. I was roped in as cub master and I was told there was the perfect assistant for me, an Eagle Scout. I asked who and Lenny was pointed out to me as 1 of my 2 assistants I would have. I looked and said Lenny? He doesn't bother with anyone and doesn't talk to anyone. He just was there to help and spend time with his son. He took on the position and from that day on we became close friends in scouting and beyond. There wasn't anything he wouldn't do for a friend. Oh and let's hope you don't need me to help you turn on the propane heater up there. I can still hear you say “Oh God”

*Lenny you will be missed!*

*Your Friend always.....Joe*
