“ I am sorry for your loss. I hope the many fond memories of happier times be of solace to the family during this time of extreme grief. May you find comfort in God's promise that we can see our loved ones again as recorded at John 6:40.

“ I am so sad today hearing about this news of my childhood friend Lidia. We haven't seen each other in years since I moved out of Brooklyn, NY and now live in FL but I spoke to her parents on occasion because they were and still are very close to my parents and they often visit each other. I am sorry we haven't been able to reunite over the past years but I have very fond and fun memories of our childhood and the great times we had. Lidia was always so kind and we had so much in common, I'll always cherish those memories and I hope she did as well. May she be the Angel in heaven that she was on Earth and may she Rest in Peace. I am also sad that she died fighting cancer because I have watched others (family & friends) fight this battle and it is hard. I pray that she didn't suffer too much and that a cure be found in her name. May God help her dad & mom, brothers and sisters and entire family & friends get through this most difficult time. You'll be truly missed Lidia!! XOXOXO Love Marcella Cacciatore Ferrena

“ Lidia was a special person and a true friend. Years could go by, and did, where we wouldn't see each other, but when we did, it was just like we were still in our 20s laughing and having fun. I remember all our trips to Wildwood, dancing all night at Fountain Casino, traveling to school together at CSI. So many memories that I will always cherish. Remember the ski trip? You and my sister were the only two that didn't ski yet you're the only ones that have a picture of both of you on skis!! Rest in peace my wonderful friend. Heaven is now adorned with your goodness and love. I will remember you always. Love you, Phyllis and family
