“ *Linda was a bright light with huge personality and an even bigger faith in Jesus. It was a joy to get to know her, to support and encourage her, and in return be blessed by her as we worked together in hospice.*

Kenny, Linda, and Jill, I mourn for your loss while celebrating your mom's presence (healed and whole!) with the One whom her heart desired. I pray that God will bring comfort and healing to your hearts, and that mom's legacy will continue through you and your families.

“ I am deeply saddened to hear of the passing of our beloved Linda. I fondly remember meeting her for the first time at a Rhema advance in Myrtle Beach, SC. She radiated energy, warmth, and love, and we had the privilege of being roommates during the event. Linda's unwavering devotion to her children was evident in her constant prayers for them, and her love for each one of them was truly inspiring. She was a person full of compassion and kindness. My heartfelt condolences to the entire family during this difficult time.

“ Linda, Kenny and Jill my deepest condolences and prayers. There is so much I could say about mom. She was a beautiful person inside and out. She embodied love, joy, and an intense passion for her Lord & Savior... Jesus Christ. I am so grateful that I was able to spend time with her before her Father called her to eternal rest. Her memory will forever live in our hearts; but her legacy will live through you and her precious grandchildren.
