“ Linda, you embraced me with open arms into your family from the moment I met you. I will eternally be grateful for all the love and support you have given us through the years and I will always cherish our vacations, holidays, get together's, and your delicious beef stew. It was so painful watching you suffer the last few weeks but I find comfort in knowing the fact that you are resting peacefully with the Lord who you worshipped your whole life and surrounded by all of your loved ones who left before you, especially peaches. I promise to never let the kids forget how much their nanny loved them. You did always call Angelina your little angel and now you are ours. Rest peacefully we love you ❤️
