“ *Lisa was always around. I often told her she was one of my sisters. She always took care of me when I was little. She took me to the movies the store the mall she picked me up from school. Even when I was a teenager she would always just hang out with us. She made me happy, she made me laugh. I can't believe she is gone. I am going to miss her so much. She will never ever ever be forgotten. I love you Lisa. Rest in peace.*

*My sincere Condolences to the Fontanarosa family on this tremendous loss. I remember Lisa always laughing and joking around when we were kids. She was also very generous and genuinely cared about people. She's one of the people that when I think of her, I know she didn't have a bad bone in her body. Rest in Peace Lisa.*
