“ My dear LISA NEW YORK i am still in shock that you have passed on. Far to young to leave. In our many years of knowing one another as i am old enough to be your mom, the times we have had together holidays at my waretown house our many trips to atlantic city nj our many dinners together poker tournaments . My mind is filled with so many memmories and my heart is so saddened by your death. Our many private converstions and i know how much you loved your two sons and worried about important people in your life. Your long telephone calls will be missed also the crazy fun loving ways of your personality. Untill we meet again i wish for you eternal peace.

“ *My friend, your absence will be deeply felt. The quietness downstairs is a harsh reminder of what's lost, but our shared moments remain. Our dinners, movie nights, and bingo nights and the Friday box lol you will be greatly missed. Rest in peace, my friend, may you walk with your mom, your memory will live on in my thoughts. Your love and care for me and my grandchildren won't be forgotten, the boys will miss you*
