“ *I will never forget Lorraine. It was a pleasure to work hand in hand on the PTA of PS97 with her as our President. She always had a smile on her face while doing volunteer work for the school. Donating her time was her priority. She loved the children and strived to get them the best for their education. From book fairs, holiday boutiques, cake sales, going to meetings and organizing fundraisers, she always was there to lend a hand to the rest of the women on the board. She will always be in my heart and greatly missed. My deepest and sincere condolences to her family. Rest in heavenly peace, Lorraine.*
