“ So hard to believe you are gone. I never thought you would be gone so fast...I was only suppose to come visit you for a week, not come say good bye forever. God knew what He was doing when He gathered all three of your children under your roof one last time. Though I wished I could have just remembered the healthy, happy, fun-loving daddy that I always knew, I also knew in your final days, I was right where I needed to be and I wouldn't have wanted to be anywhere else. I love you dad. I miss you. :( But I know you are no longer in pain. Rest in paradise, safe in the arms of Jesus.

Love,  
"The Baby"  
Suzanne

“ Suzanne took me to meet her dad last May. Louis welcomed me with open arms and I was told he was happy for his daughter, because we were wed, and because he found that I treated her with love and respect. This approval was important to me. I married his daughter and a father should approve. It is the old way. It was the way he was taught on the streets of Brooklyn. He was an excellent host. I am privileged to have known him. I wish him godspeed and happiness.
