

Louis B. Esposito

July 22, 1933 - June 17, 2018

Louis B. Esposito of Rossville passed away on Sunday June 17, 2018 surrounded by his loving family. Born in Brooklyn, he and his wife Carolyn relocated back to Staten Island after living in Keyport NJ. Louis was a devoted family man who worked hard all his life to support his family. He was in the construction trade, owned and operated his own car service, a gas station and drove a school bus. He enjoyed planting flowers in the Springtime, solving crossword puzzles, playing cards and performing card tricks for his grandchildren. He was an accomplished stick ball player. Most of all he treasured time spent with his wife, daughters, grandchildren and his great grandchild.

He was the devoted husband of Carolyn (nee Lampitelle), loving father to Susan DeFranco, Lisa Esposito and Rosemarie Rauchut. He is survived by his grandchildren Jaclyn, Louis, Danielle and Nicole and his great grandson Leonardo.

A gathering of family and friends will take place on Wednesday from 2-5 & 7-9pm at the John Vincent Scalia Home for For Funerals Inc. A Mass of Christian Burial will be offered on Thursday beginning at 10:00AM at St. Joseph's RC Church Interment will follow in Ocean View Cemetery

 My angel i cannot believe it has been one year already. I cannot believe it at times it still doesn't seem real. I miss you so much that it hurts. You were truly the best father and grandfather to us. A real man is what you were and will always be. Life is sad without you you were the heart and soul of our family. Time does not make this any easier. I just hope and pray you are okay. I think about you everyday. Im so sorry you had to leave us but will be forever grateful that God had chosen you to be my father. I remember being a little girl sitting on your shoulders and thinking omg i love my daddy so much to me you were the most handsome man alive. And you still were even at almost 85. We were so lucky to have you for that many years but what i wouldnt give for just a little more time. Even a few minutes just to tell you again how much i love you and to thank you for everything you have done for me throughout my life. You will always have a special place in my heart. Because i know as much as i loved you. You loved me Jaclyn and Danielle just as much. The love you've shown our family can never be measured because it was endless. “ *Happy 85th Birthday my angel! I would have done anything to have celebrated with you today and to see your smiling face again. But I know that you were celebrating up in heaven, smiling down on each and every one of us. A month without you has felt like an eternity and life will never be the same. You were my favorite person in the whole world and we shared a bond that I will cherish for the rest of my life. Thank you for filling my life with 26 years of beautiful unforgettable memories. I'm so lucky to be able to look back on my life and smile at all the special moments we shared together. You taught me so much about life, and you showed me the importance of family and friends. I am the person I am today because of the love you showered me with since the day I was born. I was by your side every step of the way, just as you were by mine, and I promise you I will carry you with me everyday for the rest of my life. I knew you were with us today at the cemetery as soon as I heard the sound of the ice cream truck music coming from a distance. I hope you enjoyed your firework show tonight! Nothing but the best for you! I hope you had all the strawberry shortcake you could possibly eat today! Just remember, your "sweets" will always love you, forever! xoxo*

“ To my daddy,
Everyday is not getting easier its getting harder still doesnt feel real.
Words cannot describe how much my heart hurts without you here. I
would do anything to have you back. I love you and miss you
soooooo much. You mean the world to me. I am lost without you. I
know you are watching over all of us. That is one thing that will
never change. I love our family but its just not the same without our
hero. You were always there for all of us and would do anything for
us. The love of a father and daughter is the best love. I will forever
be your little girl. I love you always never be forgotten. My angel.

“ *Dear Daddy,
The most amazing father in the world. You will be forever loved.
Thank you for showing me what family means. You were the heart
and soul of ours! I cannot imagine life without you. It sure isn't going
to be easy. Thank you for all the wonderful memories. You are the
true meaning of a man. You always put your family before yourself
and for that i am forever grateful. When i was a little girl my
proudest moments were sitting on your shoulders. You were my
superman my hero! Always there for all of us God could not have
given me a better father than you. I love you daddy and will forever
be Daddy's little Girl! Everynight i will look up to the stars for you as
i know you will be looking down on me! And when i see the brightest
star in the sky i know it will be you, Thank you for the never ending
love you gave to Jaclyn and Danielle i could see in your eyes how
much you truly loved them as they loved you their PAPA! Rest in
Peace Daddy I LOVE YOU!

“ *Uncle lou, I will never forget the childhood memories I had with you. You were the tannest uncle in the summer, always watering the grass and flowers with a lucky strike cigarette hanging out of your mouth, cleaning the pool and hanging out in the garage on a hot summer night watching tv, I remember the ice cream truck you drove and let us all sell ice cream, ringing the bell on the truck was my favorite part, even the long motorcycle rides I took with my dad along side of you on your motorcycle. You did drive a little crazy but that's how you were, fun and daring.. you will be missed my dear uncle. Rest In Peace.
Love, niece Val*
