“ Louise was a great, great friend to my mother. To this day I can still remember overhearing so many of Mom’s fondest phone conversations ending with “Okay, Lou.” Over the years she became a part of the Bandolik family as well, and we were so happy that she was seated at Mom and Stanley’s table at our wedding.

James, we are so sorry about your mom. We always knew how close you were and how proud she was of you. We will miss her very much, and I know my mom has lost a piece of her heart she will never get back. May she rest in peace.

“ I had the opportunity to work with Louise at the DOE some years ago. I remember her as a genuine, helpful, and very thoughtful individual who was always concerned about others. While she was a few years my senior and she also had a few more years on-the-job experience over me, she was always willing to help and teach me a thing or two, whether job training or life lessons. I am saddened to hear of her passing and offer condolences to her family.

While grieving the loss of a loved one comes naturally, remember to cling to the happy memories.

“ *Louise is a special spirit who left us too soon and she will be missed dearly. She has always been so loving and so kind to me and my family. She often spoke of how proud she was of her son and her whole face would light up anytime she spoke of her grandchildren. James, I am so sorry for your loss. You and your family are in my thoughts and prayers. Your mom is truly an unforgettable woman.*

“ *Dear James, I am so sorry to hear of the loss of your mother. She was such a wonderful kind and caring person who loved her family dearly. My greatest memories of Louise is her three amigos - Ronnie, Betty and Louise. If one of them was missing it was a strange site. She was sadly missed when she left the DOE but now even more so that she has left your life. I think of her always because the three amigos were there to take my dear mother's place since she passed - when I was ready to get married. She helped me pick out my wedding dress and that I will never forget. She was so happy that Willie and I got together. My prays to you and your family. Josephine Tornabene-Colon*
