Dearest Louise,

Today was a very sad day for me and I say that selfishly. I know you are in a better place, free from tubes, needles, oxygen, sleepless nights and hospitals. Your heart was so full of love for all of us that it could no longer support your lungs.

I count my blessings that I had you as my best friend and sister for almost 43 years. We always joked how we never fought and always celebrated a happy anniversary every year on my wedding anniversary. I looked forward to our phone calls and Saturday night coffee's. I could share anything and everything with you and know that I would not be judged, only loved. You have supported me through many tough times in my life, as I believe I did the same for you.

You have loved my children and grandchildren as if they were your own. They all loved their Aunt Louise who was generous to a fault, with gifts bought and especially hand made on your sewing machine (blankets and aprons).

God blessed you with Roger who has been a devoted husband, doctor, shopper, housekeeper, chauffeur and even a cook. No one had the dedication for you, like he did. He will be lost without you. I promise we will be there for him and the girls.

Lucy must be happy to see you free from all the health issues you had in your life. That always made her sad. Your mom, dad, Aunt Minnie and Bozo were waiting for you with hugs and kisses at the gates of heaven.

Rest in peace my best friend and sister. No one will be able to fill your shoes! Watch over me for now, until we meet again in heaven.

All my love,

Ann

“ *My Dear Louise, I can't believe you have gone home to heaven. I am suffering a huge loss knowing I will not be able to speak or visit with you again. Rest in peace and know that I will be thinking of you often. I haven't known anyone as strong as you. You have gone through so much and now you can rest knowing the fight is over. Roger, Jen and Cindy, my deepest condolences to all of you. Just remember all those happy memories that you hold in your heart. She will always be looking after you from up above.*

“ *Cathy, Chris & I will miss Louise so very much. She was more than a cousin, she was my sister. We remained close throughout our lives, spending holidays together, and never not missing a week talking to each other in person or by phone. The remarkable thing is we never had a harsh word in our lives, it is rare for that to happen over a span of more than six decades. Our hearts go out to Roger, a true hero, Jen & Cindy .*

“ For 43 years Ann and I have been extremely close with Roger and Louise. Louise and Ann always considered one another as the sisters they never had. We are Godparents for Cindy and they for our second son, Matt. She was always "my Weezie", never calling her Louise. All these years it was always Roger and Louise, Bob and Ann. Weezie's passing is the most unbearable pain we have ever had to endure. The tears do not stop. I can not imagine life without my Weezie. We have all good memories for which I am grateful. All the vacations over the years and sharing good times and suffering bad times; always together. Roger and Louise. Bob and Ann.

We will always be here for you our brother, Roger. Jen and Cindy, our daughters; anything, any time, Uncle Bob and Aunt Ann are here for you.

Rest in peace, my adored and beloved Weezie. We were supposed to grow very old together and one day we will all be together again. All our love from utterly shattered hearts,
Bob and Ann Starita
