“ *Dearest Lucy,
Having known you for almost 41 years was a great privilege. We shared many laughs and many happy occasions together. We could always count on you to remember everyone's birthdays, our last visits (date and time) and the numbers that came out that day. I will always treasure our Holy Thursday shopping trips for the ingredients for the pizza rustica pies and Good Friday, when we put all the pies together as an extended family. I have always made me feel like your third daughter, and I thank you for that. You were a woman of deep faith and I know you are with your husband, Aunt Minnie and other siblings, free of pain, able to see and hear again and just having a good old time. The devotion of your daughter Louise and son Joe through all these years was a blessing. May you rest in peace.*

*Love,
Annmarie (and Duckie too!)*
