“ I am so lucky to have had you for a mother in law. You were always sweet, thoughtful and a lot of fun. You always had a kind word for everyone, always pointing out the best in people. My favorite memory of you is sitting in my swing on the deck. As soon as you would walk into my house you would say lets go out on the deck and you would go to the swing. I would give you a glass of ice tea and we would chat and catch up on things. I still have that swing and you can come anytime you want and sit. When I see that swing moving from the breeze I'll know you are there sitting, swinging and visiting me and Robert. I'll miss you Lucy, love your favorite daughter in law, lol, your only daughter in law, Denise

“ *Rest in the sweetest peace Ba*

*"We are touched by angels
Walk where angels tread
They will guard and guide us
Through the days ahead
In times of sorrow
As in the days of joy
They bring us hope and comfort
Nothing can destroy
In the hours of darkness
When our dreams have flown
They bring us peace and healing
We are not alone
Through times of doubting
Still they understand
We are touched by angels
walking hand in hand"*

“ Grandma, you always had me laughing. I remember when I wore my hair pin straight one holiday and you told me I looked like Cher. Of course you thought you were giving me a compliment, but me and the family had a good laugh. You were always so full of life. I will always remember you in that way. I love you and I will take you with me in my heart everywhere I go. Rest in sweet peace with grandpa in Heaven. Tell him I say hi and miss him, too.
