I can't tell you how hard it's been since you left us. I think of you every minute of the day. I know heaven is a better place now that you are there. I miss you and will always keep you close in my heart. Love

“ *It's been 3 weeks. I miss her voice. I really miss hearing her and Vinny talking and debating. You could talk to her about anything. She was very warm, gracious, open and quick witted. A beautiful soul who will be sorely missed on this earth.*
