“ *We are so very sorry for the loss of such a truly special lady..Margie was a "gem" who always wore a smile and made everyone feel at ease. She will always hold a special place in my heart, as she was my childhood 2nd "mom". I have such wonderful memories of those days way back when. Here are some:*

Margie introduced me to "Indian Pumpkin Seeds"; she made the yummiest rosettes and honey balls; she never complained about driving Karen & I anywhere in her cute lavender corvair; she was not afraid to tackle home repair; especially rugging the basement and attic; she was a devoted wife, mother, daughter and niece....she showed so much patience with "nanny" and uncle Paul; such an admirable trait. We have all been blessed to have had the honor of knowing Margie. Her legacy will go on through Karen, Robert, Lori Ann and Joey; grandchildren and great-grandchildren.

For now, farewell sweet Margie as you rest peacefully with your soulmate, Carmen.

You've earned your wings...and may your memory be eternal..

With love and hugs, Valerie & Sal Mazza & family
