“ *I'm so sorry to hear about your family member's passing. When i experience death in my family I was comforted by what the Bible's hope for the future will be. Revelations 21:4 states: "and he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away". What a wonderful hope God promises for the future, a resurrection of the dead to live on earth under perfect conditions! My hope is that you and your family are comforted by what God promises. My condolences are with you and your family at this time.*

“ My best memories of my childhood include you, my beautiful Auntie M. Christmas eve pizza, 4th of July fireworks, uno...the list goes on. I am going to miss you more than words can say. You were always there for me. I remember my first job at Wendy's when i fell down and you were the first one at the emergency room. We laughed at how I smelled of french fries and fried food but we laughed through it. The time when you got the battery stuck under your car and we were outside with a broom stick trying to knock it out from under the car...another good laugh. I went to stop and shop today and was over come with the sad fact that I will never again see your smiling face in the store. Rest easy, Aunt Margie, until I see you again <3
