“ *I always remember since I was little all the love you gave me. Treating me as like I was your own daughter. Taking us shopping, dealing with me n Kristin causing trouble or singing over the intercom to make you mad. Lol. But you never did. Lol. I loved being at your house and with you. I will cherish all those amazing memories. Telling us not to eat the ice cubes..there not done, serving is the bones out of your sauce first, cleaning EVERYTHING with soft scrub (which is how I clean), just you being you. Loving every minute, and always taking care of everyone. You were an amazing Aunt and I'm so grateful you were mine❤️. I'll always love and miss you more than you know. Love you chicken..creep creep🐔🐔*
