“ We had the pleasure of spending many special family occasions with Maria when Madeline, Glenn, and their kids lived in New Jersey. It was clear from those times together, that Maria was an absolute loving and cherished mother and grandmother who lived for her family. I found her to be a spunky, funny, and tough lady whom I grew to respect very much. I always enjoyed my time with her and the comical back and forth banter we shared on many occasions. I will always remember her smile, laughter, and warm hugs from those days long ago. Making it to 94 is amazing and quite a life to be celebrated! She lived to see her children grow up and have families of their own, and also lived to see her grandchildren grow and flourish. There is so much to be thankful for even during this difficult time and we hope it brings peace and comfort to all. We offer our sincerest condolences to all who knew and loved her and most especially her children and grandchildren who meant the world to her. Rest In Peace Maria, the love you shared will never be forgotten.

With all our love and sincerest condolences,
