

Maria Georgalas

September 16, 1960 - September 14, 2024

Maria John Georgalas was a beautiful person, very much in each and every way a human being could be beautiful.

She was the daughter of Evangelia and Ioannis Georgalas, two Greek immigrants whose family had chosen to take root in this country when driven from their own.

Maria was kind to everyone she met, loved deeply and without reservation, and was imbued with a lifelong dedication to family and friends that have taught generations far past only herself. She was the best admin a banker could ask for, meticulous and practical in every situation and task she was ever presented with.

She was a loving cousin to loving cousins, a loving aunt to a loving niece, a loving godmother to loving godchildren, a loving sister to a loving sister. She was a best friend to best friends and left a lasting imprint on those she chose to call family just as lovingly as she did those she was born to.

But as someone known only as Mia to those she loved the most, and those who loved her best, she'll always be missed.
