“ *I am so saddened to hear that one of my favorite people is gone. Marie was my number one customer at Belli Baci Bakery. She came in almost three times every week for 2 years, and always asked me to make her coffee and help her to the car with her bags. One great memory I have of Marie is delivering her orders to her house on holidays. She was always so excited to show me her Annalie Doll collections and would walk me through her house to show me. My grandmother is a big collector so this was really special to me. Marie made all of the girls at Belli Baci laugh, and always put a smile on our faces. She will be deeply missed*❤️
