“ All the good times in Coney Island! Lafayette HS, the Beach, the Parties. One of the many stories: First time ever I went ski-ing was with my friends and my sister Connies' friends. I was on the " Bunny Slope", having a difficult time standing-up when along comes Marie ( a good ski-er at the time ) she asks me " How you doing Butchie"? I couldn't answer her fast enough and before I knew it I was face down in the snow from her push as she skied away laughing. I too was laughing while in the snow knowing all the while that was the kind of friendship we all had at that wonderful time in our lives which will never be forgotten. May God Bless Her Soul.
