“ To the family of Marie, as I did not know her personally. I have her sister Georgeann as my friend for 40 years. Often George would talk to me about her. Cry hysterical over Marie. Asking that we her friends pray and continue to pray for Marie. I know she is alone and really sick. I get her. I'm In the same situation. Sick and alone. Also lost a sister. That is something I will never get over. I loved my parents but my sister she was 43. Yet I have another sister who won't talk to me. No reason?? I live in an assisted living. You have my deepest sincere heartfelt condolences. I'm so very sorry for her husband and you the sister I'm sorry I don't know your name. May Marie be at peace in God's arms. 🙏
