“ *The last time I saw Marilyn alone was on Staten Island in December 2022- we had lunch near the ferry terminal and strolled along the waterfront by the 9/11 memorial. Despite her continuing health challenges, Marilyn was her upbeat self and memories of our many decades of being work colleagues and friends will always bring a smile to my face. Very happy her final few months included becoming a grandmother. In loving memory of a beautiful person, Linda Spock*

*One of my favorite colleagues at the PA, unfortunately I had lost contact with Marilyn. She was very much a beautiful person expressing herself every day with words of wisdom about the EZPass project we worked together on. She was excellent in her area of marketing and she always brought a down-to-earth view and a lovely way of bringing her generous personality along with a good dose of reality to every day. May she rest in peace and may her family enjoy her wonderful memories!! Love peace Eileen Heagen*

“ I’m saddened to learn you lost your beloved wife, Mother & Grandmother. I enjoyed the BBQ’s she put together at the Club in Great Kills we had a blast. She fought numerous battles that most would have given up and she Won! It was now time for God to bring her home to watch over you. She is all around you and always with you. Sweet Rest. A donation was made to Tunnels to Towers Foundation in Marilyn’s honor.
