“ *Marilyn was a sweet natured colleague of ours at PS 192Man.who committed herself to encouraging all her students to reach high goals.*

Although being reserved Marilyn had a wry sense of humor which was endearing.

Rest In Peace. May her memory be a blessing.

“ I was afraid, I felt so lost,
My memories were being tossed.
Like a ship drifting at sea, no one here could rescue me.
What were those strange things I saw at night,
I heard their voices, they filled me with fright.
They wanted to take control of me,
Steal my life and my identity.
I can't remember what I forgot
I forgot to remember my train of thought.
I am so angry it made my fist fly,
My brain and body were so compromised.
I wore a diaper and sat in a wheelchair
I've lived my life for this? It's so unfair!
Who on earth will remember me?
I stared at strangers who called themselves family.
I felt my brain was a tangled up mess
Stop asking me questions because I only guessed.
You told me I was a teacher and I hope I was the best,
You told me you loved me, that makes me feel blessed.
My memories were filed somewhere I can't tell
Dementia won't tell me, it was like being in hell.
But
Dementia didn't steal you
The nursing home did you wrong.
They were supposed to take care of you through covid and beyond.
My heart is breaking Auntie M, I feel so sad.
I try to remember all of the good times we had.
You were the best Aunt, whose advice I couldn't ignore.
You forever said you loved me but I loved you more!
Say Hi To my Mom, Dad and Linda!

“ Marilyn was a very special woman and teacher. Quiet, reserved, warm, and gentle, she nurtured her students with caring and affection. She respected her colleagues and her students. She was an active union chapter member, supportive of efforts to improve our working lives and the children’s learning experiences. She is remembered with much affection. May she rest in peace.
