“ *Miss you so much Nanny. You have a heart of gold. It's going to be hard without you but, I know you are with us always. I will always remember the wonderful times we had together.* ❤️

“ Dear Nanny,

Wow I can't believe you're really gone, but I know you are in heaven not suffering and you were welcomed into heaven by Jesus Christ himself with open arms. I remember all the memories I have with you, just to name a few.... I remember us going to the march for Jesus parade and you and I were in the front holding the banner for the whole parade as spreading the word of the lord, another memory I was about 13 and I took a cooking class in school and they taught us how to make a dinner, and I asked you if I could sleepover and cook dinner for us and you said that would be awesome, that's what I loved so much about you, I loved how easy going you were and how you loved living life to the fullest, so that night I cooked all homemade chicken cutlets, rice pilaf and broccoli, and you loved it. Another memory is every time I slept over your house or you slept over my house we always had a cup of tea together at night time and we would talk for hours and the best part is we could share anything with each other and always know that it stayed between us because we both had trust for each other. I could go on for hours with memories, but I will leave you with one last memory that is so special. I will never forget you were the first person in our family to get baptized and give your life to Jesus Christ, I will never forget going to church with you at least one Sunday a month and gave me my first Bible, and you would read certain scriptures to me, and that was so special. After you family members in our family, decided to give their life to Jesus Christ and get baptized. Three very important people in my life Decided to get baptized and to give their life to Jesus Christ, and that was my sister, Dana, my father David, and my mother Lynette. What's so special about that is in the last few years we lost my sister Dana and we lost my mom Lynette, both your granddaughter and daughter, I know it was so hard for you to lose not only Dana but to also lose your daughter Lynette, but the greatest gift that you have given my family, including my father is bringing the three of them to the Lord Jesus Christ, and I know when my sister and my mother passed away. They both were greeted at heaven's doors by Jesus Christ himself and welcomed by him into heaven. I know that

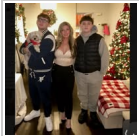

yesterday when you passed peacefully, you were definitely greeted in heaven by Jesus himself and welcomed into his kingdom. God willing one day down the road when I'm much older, hopefully and I pass, I pray that I will be welcomed by Jesus and invited into his kingdom and welcomed into heaven where I will get to see you, my sister, my mother, and all the other family members that have passed. Nanny Scida Until we meet again I love you and I know you can hear my prayers to you like we were having our cups of tea together. 🙏❤️🙏❤️
