“ John Delfino. Mark was my childhood friend. I'll always remember him as the most talented person I've ever known. Artist, construction worker, builder you name it. He did it all. I'll also remember him calling me his best friend. He was taken way too early. He'll be missed dearly.

“ Mark was my brother. He was complicated, he was a survivor and he lived for the most part a trying life. I choose to remember the humor, the good times and our childhood days. Rest in peace now brother.
