“ My deepest condolences to Diane and all of Mary Jean's family. I have such fond memories of working with Mary Jean and our great group of ladies at AT&T. We were all soooo young and we had such fun working together. The attached photo is from 1979.

“ We first met Mary Jean in person this last year. We visited her and our friend, Diane, and had a wonderful visit. Mary Jean lit up the room with her laughter. We felt like we had made another dear friend. Mary Jean has taught us a lot about courage and perseverance and grit. She was a great sister. She lived her life with such honesty. How many of us are that true to ourselves? Rest in peace, Mary Jean.
