

Mary Milione Passarelli

August 4, 1920 - August 15, 2016

Mary Passarelli of Annadale passed away on Monday August 15 surrounded by her loving family in Staten Island University Hospital South. A woman who was a devoted wife, mother and grandmother, she enjoyed and cherished spending time with her entire family whenever possible. She took great pleasure from the simple things life had to offer, such as playing cards, baking her special sweets, cooking for her family, and entertaining friends at her home, for which her door was always open.

She is survived by her daughter Alice Perrotto, her two sons Leonard and Thomas, her seven grandchildren and her seven great grandchildren. Her loving husband James predeceased her in September 2004. She was also predeceased by her late brother Frank Milione.

A Celebration of her life will take place on Thursday at the John Vincent Scalia Home For Funerals, Inc. 28 Eltingville Blvd. from 2-5 & 7-9PM.

A Mass of Christian Burial will be celebrated at 10:00AM Friday at Holy Child Church. Entombment will follow in Holmdel Cemetery

“ Do you know how many times I thought to call you today, mom I miss you so much. I remember this first (and only time) I came home drunk you said to me "I knew this would happen some day" you didn't get mad you always understood!! and Tommy with that slipper thing you always got me in trouble too and we all ran in front of the china closet so she wouldn't throw the slipper, which got us in more trouble!! You know what they say about those middle children, troublemakers!! Mom the memories go on and on you made our lives wonderful from infant, to childhood, to adulthood, you and dad will be forever loved and greatly missed I am glad you have each other again!!

TO

“ For as long as I can remember, you were a pillar of strength and guidance, from walking me to grade school everyday in all types of weather (uphill both ways) to the care you gave when I was sick and how you managed the three of us, all through the slipper slinging days, through the teenage years and into adulthood. You were right by my side with encouragement and values that are so rare today. I'm happy that you are back with Dad, but you will be so missed everyday as he is. Tommy
