My entire life you have been there. You were a constant in my life.  
Watching me grow up and watching my kids grow up . Always

important stuff or just nonsense -and yelling at me bc my voicemail  
was full.... (i miss that already) . You were 1 in a million Mary and I  
am grateful to have had you as a part of my life from the beginning.  
I will miss you, I love you! GodBlessYpu Always Rest in Peace.

“ *Mary was a client and friend of mine for over 25 years. We had great conversation while i did her hair. She was a beautiful kind soul. Mary made me her amazing cookies at Christmas time. My last text from Mary was how are you feeling on February 7th. She remembered i was having surgery and was checking in on me, that was Mary. Mary you will be greatly missed at the salon you were a pleasure and one of my favs. Love Lauren Gianesses*

“ *Mary was the greatest gift my parents ever gave me. She was my best friend and sister.*

*We grew up together and we're very close. She was a little bit older than me and I always wanted to be like her. She was kind and caring to everyone.*

*Like my mom never complained about anything. Accepted life as it was dealt out.*

*Loved her son, daughter in law and grandchildren so much. I will miss her to eternity. She was a very huge part of my life.*

*Rest in peace my dear sister.*

“ My cousin Mary was such a kind heart and amazingly kind and loving to our Aunt Theresa now 101 years old!! Checking on her daily, taking her to doctor appointments and bringing her food. Our aunt says she was the daughter she never said. We all grew up in Brooklyn in a day and age regrettably long gone. We saw each other regularly especially on holidays. It was such great fun. She and I as the oldest hung out a lot. In later years I was far from Brooklyn , but recently all of have dinner together annually. Now she is with her parents in heaven. God bless you my dear Mary 🙏🙏

“ Aunt Mary, everyone is broken without you. You will be loved and so greatly missed.

“You will lose someone you can't live without, and your heart will be badly broken, and the bad news is that you never completely get over the loss of your beloved. But this is also the good news. They live forever in your broken heart that doesn't seal back up. And you come through. It's like having a broken leg that never heals perfectly—that still hurts when the weather gets cold, but you learn to dance with the limp.” -Anne Lamott
