Sorry for your loss, I remember your mom being a fun person when ever we stayed over your house always asking if we wanted to eat. It's never easy when your mom passes away she always be with you.

“ Tony,

I'm so sorry to hear about the passing of your mom. It's never easy losing someone you love, especially a parent. My deepest condolences to you and your family at this difficult time. Embrace those around you and remember the good times. May you find peace knowing that she's in good company and hanging out with Jerry until you can all be reunited again.
