“ *I will always remember spending good times with Mary in our high school years! So beautiful and full of laughter! Rest in peace my friend!*

“ *Mary and I were friends since she came to Peter Muschal Elementary School in Bordentown. We were in the same class and I had the biggest crush on her. She was a beautiful girl! One of my fondest memories was winning a Square Dance contest with Mary in 5th grade. I remember High School and asking everyone to vote for her for Homecoming Queen and was thrilled when she won. Then years later, living in Bordentown we reconnected when she was here taking care of her father. Rest in peace, my friend. You will be missed! My thoughts and prayers go out to her friends and family.*

“ *I am so sorry for all of you. Mary was my friend for most of my life. I met her at age of 11 when I had a crush on her brother, Joe. We have been friends since. When she was in Bordentown caring for her dad, we got together or talked on the phone often. All she ever talked about were her wonderful daughters and grandsons. May God bless all of you ...*
