“ *Maryann was not only our neighbor but our friend. To say she was extremely special and had a heart of gold is an understatement. She would go out of her way for people and most especially, for our four legged friends. We're sure she was greeted by many tail wags when she earned her wings . Louis - you have our deepest condolences. To live on in the hearts of others is to live on forever. May the memories of your Mom bring you peace and strength during this difficult time. With our deepest condolences and love, Anat & Dave*
