“ *Maryann volunteered with GrowNYC many times at our Book Swaps and Stop 'N' Swaps. She was a wonderful hard working member of our team. Our staff, fellow volunteers, and the many people who donated and received the things that Maryann helped sorted and distributed will miss her very much.*

“ I will never forget the day when Maryann showed up at my desk and handed me Mets clothing for my son; she told me that she hoped he would go down the right path and be a Mets fan. She unfortunately had seen a picture of him in Yankee clothing so I never heard the end of it - ha ha
True story but my son LOVED that clothing.

Maryann - we all love you; rest in peace.

“ My deepest condolences to the family. I know Maryann for my many years at Travelers and she was always very kind. What I do remember the most is her outgoing personality and her adventuress nature. She was always going somewhere in the world. Though she has left this earthy place, she is now in Heaven. God bless you all.

“ *Maryann was a warm, friendly co-worker who often brought a smile to my face with her unique voice and sense of humor. In business, her sterling reputation preceded her and she was widely beloved throughout the industry. We shared a passion for reading, and we often discussed books that we'd borrowed from the library. She was truly one of a kind, and she will be deeply missed.*

My sincerest condolences to her family during this trying time.

“ Whenever you picked up the phone or went to a meeting when Maryann's name came up it was always a great story about what she had done for them. I don't think there is one agent or broker in NY that doesn't know Maryann. She will be so very missed. My heart is with all of you.

“ Maryann will be missed by all of her many friends here at Travelers Insurance. She was a consummate professional in her job and a very caring person to all that she met. Her love for the NY Mets was undeniable. We used to joke that back in the late 1970's/early 1980's she used to be the only fan sitting with me in Shea Stadium during the "lean years". We also used to reminisce about waiting for autographs after games when we were younger and shared notes about which players were nicest.

My deepest condolences to Maryann's family during this difficult of all times.

“ I loved MaryAnn sense of humor as she always found the appropriate choice of words to say that would leave you with a smile on your face.

She was a great access to Travelers and the Brokers and Agents always spoke highly of her especially with her vast knowledge of the insurance products.

I will miss her dearly and her presence leaves a void in my heart.

My condolences and prayers to the family during this time.

God Bless you Mary Ann heaven is richer by your presence.

“*MaryAnn will be missed by all that have gotten to know her over the years. Speaking for myself, I just can't imagine what Travelers will be like without her. She brought an amazing dedication to her job that I witnessed and admired. From quoting accounts on a Sunday afternoon to showing up to the office in the middle of a blizzard in a full snowsuit, her dedication to her work was a great example to all.*

But more than that, she was a kind, caring, loving and humorous person. MaryAnn and I had an initial bonding over our love of the New York Mets, but also traveling the world. She always asked where I was going to next and would share stories of her travels. There will definitely be a deep hole in my heart this summer when I see Mike Piazza get inducted into the Hall of Fame in Cooperstown and MaryAnn won't be there to share the celebration with me.

MaryAnn, you will be missed dearly.
