“ *Missy was the first friend I ever had. We grew up just a few houses away from each other and went all through school together. For years my sister and I spent just about every single day with Missy and her sister Lisa. We were always at each other's houses and our families were close too. A more honest and loving person has never walked this earth. Her smile lit up even the darkest corner and her laugh was infectious. She had this way of setting you straight without making you feel bad, even though you probably should have. My heart breaks for the entire family.*

“ *As the saying goes - "God always takes the Good Ones". You were taken to soon from this world. Being the person you are, we know you will be the angel on your families shoulder guiding them as best you can. Your contagious smile will be missed, and your big heart will forever be etched in the lives you touched. My god bless your family as they go through this tough time.*

“ It is an unbelievable nightmare that we all just want to wake up from. I can't believe a great person like Missy is gone. She touched all of our lives and will truly be missed. She was one my wife's best friends. She wasn't just a neighbor, she was a great friend. She was always there for us and we have a lot of great and funny memories of her. I know she will always be in our hearts and will never be forgotten. She was a GREAT Mother who raised three great kids. She wasn't only a wife to Greg, she was his best friend. She always was there to help everyone. Anyone that ever met her would agree, she was a caring and loving person. We love you and will always have you and your family in our thoughts and hearts.
