“ *Truly one of the greatest days ever, was listening to your husband and father tell stories in the backyard on a beautiful sunny day with family. Although we had never met before with the sarcasm and jokes it felt as if we had all grown up together. I was fortunate to share stories and laughter with family and friends that day. I felt blessed Michael gave me one of his cold bottles of Budweiser's out of the freezer, and the boys commented he must like you that never happens. To Josie and family our prayers and thoughts are with you all. I raise this cold Bud to you Michael until we meet again. Sláinte
