

## Michael E Gibbons

February 28, 1982 - March 24, 2024

Michael Eugene Gibbons, 42 of Edison NJ, passed away on Sunday, March 24, 2024, surrounded by the love of his family.

Born Sunday, February 28, 1982 in Brooklyn New York, he was the loving son of Michael Gibbons and the late Linda Gibbons.

Michael, raised in Staten Island, graduated from St. Joseph by the Sea High School. He graduated from SUNY Albany in 2004 with a Bachelor's in Psychology with a minor in Business. Michael followed in the footsteps of his parents working for Con Edison, where he met his wife Priya. Together the family has worked an accumulation of 90 years to the company. Michael was very passionate about his work. He was an expert at organization, spreadsheets, and integrating data. Michael worked at Con Edison for nearly 20 years rising up as an Advance Metering Infrastructure (AMI) Operations Center Manager while earning his Master's of Science in Business Analytics from NYU in 2019.

In his free time, Michael loved to travel. He enjoyed history, cinema, and going into a deep dive into a topic he could then become an educator or debater in.

Michael was truly focused on life and family. His daughter and family were his life. He was a life long New York Yankee and Jets fan. He had season tickets

to the JETS for over 10 years where he got to spend many happy times with friends. He loved to laugh and find the joy in the special moments. The world is much dimmer without his presence and he has left us way too soon.

He was the beloved husband to Priya Patel to which they shared 10 happy years. They met while working at Con Edison and grew together personally and professionally while traveling the world reaching destinations as far as the Maldives, Shanghai, Greece, Egypt, South Africa, California, and beyond. In 2019, they started their family with their dog Rajah and then having their most precious daughter Ariana Linda in 2021.

Loving and adored brother of Melissa Sheehy, and Caitlin Ratel. Dear Son in Law to Dilip Patel and Asha Patel. Brother in law to Shyam Patel, Karl Sheehy, and John Ratel. Adored Uncle to Emma, Elizabeth, and Karl.

The family will receive friends from 2:00 PM to 4:00 PM and 7:00 PM to 9:00 PM for a viewing on Wednesday, March 28, 2024, at John Vincent Scalia Home for Funerals, Inc., 28 Eltingville Blvd, Staten Island, New York.

In lieu of flowers, the family requests that you donate whole blood and/or plasma whenever possible as they personally witnessed how each transfusion

gave us more time with our Michael. Also, please consider getting swabbed and joining Be The Match to become a potential bone marrow donor. You can make the difference for an important person and family.

“ My heart hurts for him and his family; gone way too soon. I had the privilege of being his manager and at times, his "work mom" for many years. "Gibbons", as I always called him, was smart, tenacious, determined, fun, and special. We shared many work talks, discussions and debates. Together, we brainstormed and solved problems and issues. I truly learned so very much from Gibbons. We also shared many life talks together and often made each other smile. I consider myself lucky and blessed that our paths in life crossed. My deepest sympathy goes out to his family. Gibbons, I hope you are in your mother's arms right now. Rest easy dear Gibbons. - Love, Janet Nevin

“ We spent so many long days and unspeakable hours solving what often seemed to be the most stubborn, impossible math, data and system problems. You were always in the trenches with us with your ready smile and that glint of amused determination in your eyes. When I'd see that face, I knew the answer would be arriving shortly. And so it was. You were a bright and shining light. So intelligent, a pleasure to work with, and loved by so many. I'm grateful for our time together and am better for it. May your memory be a blessing and comfort to your family and friends.
