“ 23 years ago I was in a dark place in my life, I was unsure of what my future was going to hold or if I was even going to have a future. I had worked with Mike at TBTA and a set of circumstances led me to him to ask him for help. Without hesitation and knowing the potential down side Mike stepped up and helped me get my life turned around. I am forever grateful to him and will miss him.

Condolences to Mike's family

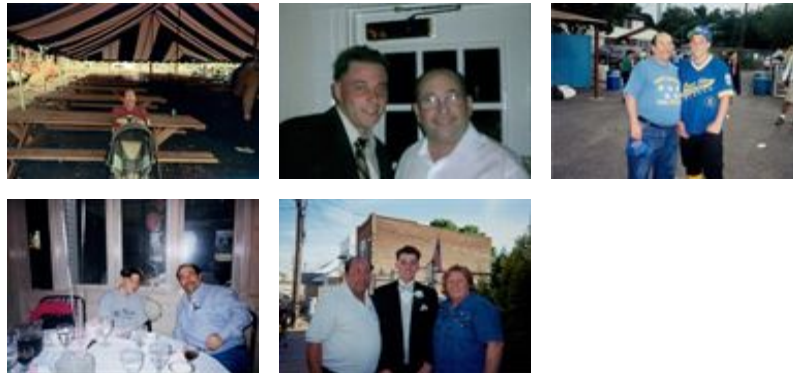

God Bless
